

# Chinese-born New Zealand artist and sculptor Chen Weiming's latest coronavirus sculpture is displayed in California

02 Jun 2021

Chen Weiming walks beside his latest sculpture "ccp virus" on display at Liberty Sculpture Park.

The park and sculptures, located off the Interstate 15 freeway between Los Angeles and Las Vegas, are the creation of Chinese-born New Zealand artist and sculptor Chen Weiming.

Weiming unveiled "Tank Man" two years ago on the 30th anniversary of the 1989 pro-democracy movement in Beijing's Tiananmen Square, and where new pieces such as Chen's latest coronavirus sculpture "ccp virus" are displayed.
